ORDER GRANTING PETITION FOR REHEARING

The State Board of Equalization considered appellant's petition for rehearing on August 17, 1994, and concluded that cause exists for granting it with respect to the depreciation issue only. Therefore, the Board ordered that the petition be granted with respect to that issue alone and that its order of January 13, 1993, be affirmed in all other respects. The Board further instructed the staff to schedule the rehearing at the earliest possible date so that the Board will have an opportunity to resolve the depreciation issue prior to January 1, 1995.

Done at Sacramento, California, this 17th day of August, 1994, by the State Board of Equalization.
